Holy Week & Easter 2021

Friends, my April message this month will be short and sweet!

We hope you join us for Holy Week this coming week (details below) and “tune in” later this month for two new items:

- **Jazz Vespers** Wednesday night “2.0” worship format, also later in April.

We hope you have a most blessed Holy Week and Easter, and God bless you all!

(Pst...Christ is risen soon...indeed!)

Pr. Paul

Carl Lehto was present to discuss the opening of in person worship: He asked where the 5% positivity rate came from, Jim Monroe responded from the CDC. And were these people who were tested? Jim said he watches the COVID numbers for Grand Traverse County and yes these would be people who were tested. Carl asked if there was anyone with high temperatures who came to church in October and November or anyone turned away for this? And 2 of us could answer for the weeks we were checking there was no one turned away for high temperatures. He is concerned that income is down due to not being in church and feels it will go back up when people are back in church. He proposes for the church to reopen in person worship and to keep it open.

In January there was a short fall of \$3000, but expenses were under budget by \$4000. We could borrow up to \$32,000. There is a very good chance we would not have to pay the money back as long as the criteria is met, unless we wouldn't use it all.

ABRIDGED WITH ANNIE: A SUMMARY OF YOUTH EVENTS FOR APRIL...

Happy spring, Bethlehem! I'll be honest, spring is one of my absolute favorite seasons! Not only are we coming out of a cold winter...it's the time of new life, sunshine and colors! For me, stepping outside in the springtime or even looking outside of my window a constant reminder of how good our God is.

APRIL HAPPENINGS ...

The very first week of April we have **Holy Week!** We have a very special **prerecorded Children's Message** for both the **virtual** and **in person Easter Sunday Services**. We had a lot of fun with them and we hope you enjoy it as much as we did! We are still having Children's Messages on **Zoom every other Thursday**. We log on at **6PM** and have a little **fellowship time** before starting the children's message at **6:15ish**. Reach out to me directly if you have not been getting the links and would like your youth to join in on the fun.

We will be having our very first **Hybrid Confirmation Class** on **Sunday, April 18th**. We're really excited to be back in the classroom while also being able to offer a virtual component for those who need it! Any questions about the hybrid confirmation class please reach out to Pastor Paul or myself.

Just like in the fall, all of the **Youth Groups** will be doing something similar this semester. For the month of April, we will be gathering at the church for a fun filled Picture Scavenger Hunt. Afterward we will watch a slideshow of our amazing pictures while enjoying pizza.

The **Junior High School Group** will meet on **Wednesday, April 14th**.
The **High School Group** will meet on **Saturday, April 17th**.
The **BLUES Group** will meet on **Friday, April 30th**.

I am sure that many of you are wondering what the plan is going to be for **Vacation Bible School** this summer. Christian Ed and I will be making a decision as to what things will look like this summer and let you all know! Any questions or concerns, please reach out to me.

Be sure to mark your calendars for all these fun events!

As we spring into April I ask that you keep Bethlehem's youth and their families in your prayers as they continue to navigate the rest of the year!

Cheerfully in Christ,

Annie Slabaugh

Director of Youth and Outreach, Bethlehem Lutheran Church – Traverse City

I am writing this to inform you that the Can Collection For The Needy (CCFN) project was a complete success with a twist. The CCFN grew out of our earlier project to help the youth of our church.

The project supplied 3 people in our community with a job and funds to help them maintain themselves during the Covid-19 epidemic. But one of those people began to abuse it and steal the cans, and thus the money, for his sole use. The others decided that it would be best to simply stop the project. That person has now left town and the collection box will be reconstructed for their use and the collection will continue when the ground is not frozen.

During this “off” time, please continue to bring in your recyclable cans and bottles to these people to use to make money and continue to be contributing members of our community.

You can leave them by the garage door in the back of the parking lot.

I get Thank You notes for them telling me how much they appreciate our help.

Thank you and God Bless you.

Norm Fred

Calling All Gardeners Of All Levels

Bethlehem Lutheran Church has received a grant from Sacred Grounds in partnership with the Wildlife Federation. This grant is to make a garden for our church and community. We will use native plants to encourage pollinators and wildlife. We will provide educational opportunities on conservation, improving water quality and climate change.

We are looking for people who would like to be a part of this project from planning, planting and caring for our garden. We would like multigenerational involvement from children, families and adults. Don't worry if you feel you are not a gardener, everyone can be.

If you are interested please call Gail Goldsmith at 231-633-2630

**SACRED
GROUNDS®**

A Stewardship Message...

There is an optimistic concern for stewardship this year. In 2019 there were 83 pledges made. In 2020 there were 100 pledges. For 2021 the pledges made so far year to date total 76. We know there may be a number of reasons for this reduced amount, not just Covid-19.

The optimistic concern is even though offerings are down so far this year they are not down by 24%. This the percentage of less pledges made for 2021 from 2020. It is very helpful to our finance committee in making a budget to have pledged offerings. We are very thankful that members of the congregation are continuing their contributions without a pledge. If not Bethlehem could be in a dire financial situation.

The church council is monitoring contributions, the budget and expenses each month. It's still never too late to make a pledge for 2021. If you are in need of a pledge card or set up electronic giving, please contact the church office.

Thank you for your on-going support of the ministries at Bethlehem.

Congratulations to Julia Acker (daughter of Brian and Laura) who placed sixth in the recent Grand Traverse Regional Spelling Bee. It was an online spelling bee where she had to spell 50 words in 30 minutes. The words were taken from a list of 4,000!

Way to go, Julia!!!

The BLC book club continues to meet the 4th Tuesday of the month at 5:30 pm via ZOOM. On Apr 27 we will discuss the book *“My Name is Lucy Barton”* by Elizabeth Strout. If you would like to participate and are not already on the email list, just send your email address to cmonroe@chartermi.net.e.

A big thank you to those who have turned in Oleson's receipts. For 2020, we received a total of \$545.66. Please continue saving your Oleson's receipts for Bethlehem. Please drop them off in the bin under the mailbox counter. Thanks.

HONORING GOD'S CREATION

Since 2019 we have been enjoying Bethlehem's "Honoring God's Creation" column so ably organized by Judy Strickland. The time has come that Judy has decided to step down. So that we may continue with this excellent information, this is a request for contributions from the congregation. You can do as a one time submission or you can step in to organize the column. Topics can include gardening, recycling or saving the planet. This is a great way to take care of your BLC family. Please contact Barbara Oster at admin@bethlehemtc.org if you would like to participate.

FEMA to Help Pay Funeral Costs for COVID-19-related Deaths

In early April, FEMA will begin providing financial assistance for funeral expenses incurred after Jan. 20, 2020 for deaths related to coronavirus (COVID-19) to help ease some of the financial stress and burden caused by the pandemic. The policy was finalized today, and FEMA is now moving rapidly to implement this funeral assistance program nationwide.

To be eligible for COVID-19 funeral assistance, [the policy states](#):

- The applicant must be a U.S. citizen, non-citizen national, or qualified alien who incurred funeral expenses after Jan. 20, 2020 for a death attributed to COVID-19.
- If multiple individuals contributed toward funeral expenses, they should apply under a single application as applicant and co-applicant. FEMA will also consider documentation from other individuals not listed as the applicant and co-applicant who may have incurred funeral expenses as part of the registration for the deceased individual.
- An applicant may apply for multiple deceased individuals.
- The COVID-19-related death must have occurred in the United States, including the U.S. territories and the District of Columbia.
- This assistance is limited to a maximum financial amount of \$9,000 per funeral and a maximum of \$35,500 per application.
- Funeral assistance is intended to assist with expenses for funeral services and interment or cremation.

In the coming weeks, a dedicated 800 number will be established to help individuals who apply. In the meantime, potential applicants are encouraged to start gathering the following documentation:

- An official death certificate that attributes the death to COVID-19 and shows that the death occurred in the U. S. The death certificate must indicate the death “may have been caused by” or “was likely the result of” COVID-19 or COVID-19 like symptoms. Similar phrases that indicate a high likelihood of COVID-19 are considered sufficient attribution.
- Funeral expense documents (receipts, funeral home contract, etc.) that include the applicant’s name, the deceased individual’s name, the amount of funeral expenses, and the dates the funeral expenses were incurred.

FEMA

- **Proof of funds received from other sources** specifically for use toward funeral costs. Funeral assistance may not duplicate benefits received from burial or funeral insurance, financial assistance received from voluntary agencies, federal/state/local/tribal/territorial government programs or agencies, or other sources.

ELCA Global Links - Japan Evangelical Lutheran Church

The ELCA **International Leadership Development Program** of ELCA Global Mission seeks to enhance the capacity of the global church for mission and ministry. The program provides financial awards to support the short- and long-term academic training of established and emerging leaders in global companion churches and institutions. After their studies, students return to their home countries ready to assume important leadership roles.

Pastor Kazuhiro Sekino, an International Leaders scholarship recipient from the Japan Evangelical Lutheran Church, recently found a creative way to offer hope to COVID-19 patients at **Abbott Northwestern Hospital in Minneapolis**, where he's currently interning as a chaplain. Drawing from a Japanese tradition, Sekino began to fold paper cranes to give to patients — and soon his efforts were multiplied when people in **Japan sent thousands of paper cranes** to the hospital. "Paper cranes now are a spot of healing for [patients]," Sekino said.

WOMEN OF BETHLEHEM - APRIL 2021

I would like to share some excerpts from devotions I have read during Lent.

From *'40 Days with Jesus: Celebrating His Presence'* by Sarah Young:

(*Jesus is speaking* :) I AM YOUR RISEN, LIVING SAVIOR! Through My resurrection you have been born again to an ever-living hope. I am constantly working to transform your life. You need My help continually to keep your hope alive. I stand ready to help you at all times. There are no limits to what My great Power and Glory can accomplish! I can change the most 'hopeless' situation into outright victory. As you affirm your trust in Me - no matter how difficult your circumstances - I am able to transform you: gradually, lovingly. Those who hope in Me will not be disappointed."

From *"Passion with a purpose: 40 Days with God"* an excerpt written by Anne Graham Lotz:
"Real meaning to your life is found in the glorious dawn of God's story which breaks into full revelation in the Person of Jesus Christ.

What an astounding truth! What a life-changing message!

**Because He emptied Himself of all but love, you can be filled.

**Because His body was broken, your life can be whole.

**Because He was forsaken, you will never be alone.

**Because He was buried, you can be raised.

**Because He reached down to you, you don't have to work your way up to Him.

Because His promises are always true,
you can have hope!

Praise God for just giving us Jesus!

From *"God's Passion for You"* an excerpt written by John MacArthur

"Salvation does not come by confirmation, communion, baptism, church membership, church attendance, trying to keep the Ten Commandments...living out the Sermon on the Mount.. giving to charity...claiming to be a Christian...or even by believing there is a God. Salvation comes only when we receive - by faith - the gift of God's grace.

Dr. Donald Barnhouse said,

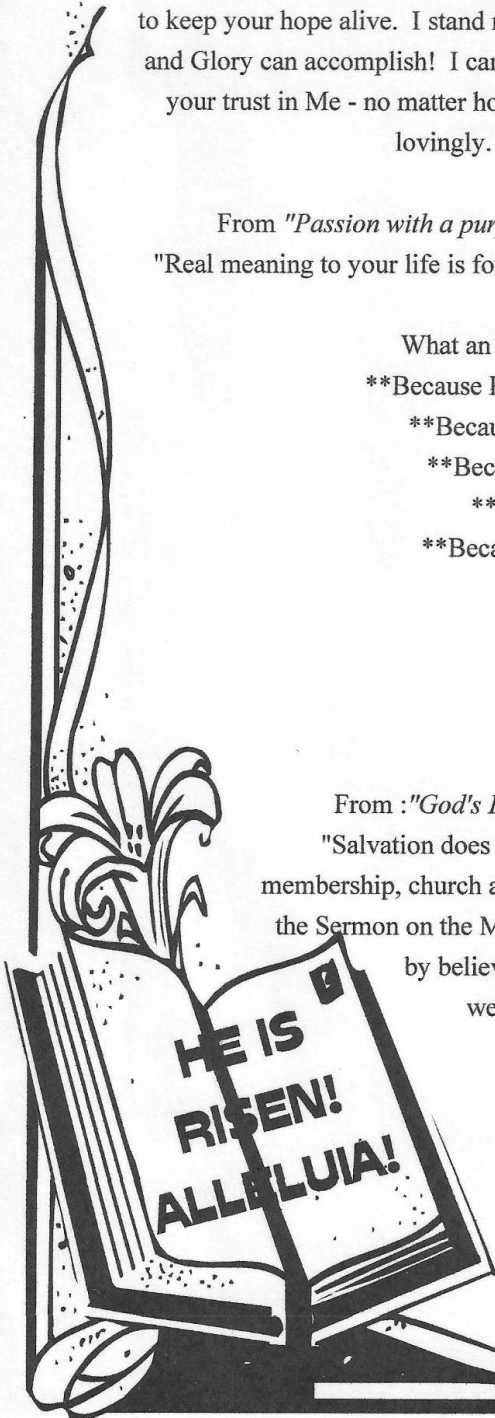

"Love that gives upward is worship;

love that goes outward is affection;

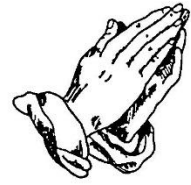

love that stoops is grace."

God has stooped to give us grace.

Will we receive it?"
