Our Mission...

“We journey with God, to serve with love”

Our Vision...

“As a community of believers journeying with God together, we at Bethlehem are called to serve with love by growing a premier youth ministry; enlivening Christian discipleship through lifelong learning, care, and spiritual formation; fostering a vibrant and inspiring worship experience; utilizing our natural setting and location for faithful creation care and outdoor ministry; and opening our doors always to be a “campus at the crossroads” for the mission and ministry of Jesus Christ.”

The Story of Our Lives

"24 God rewrote the text of my life when I opened the book of my heart to his eyes. 25 The good people taste your goodness, The whole people taste your health, 26 The true people taste your truth..."

The above verses are from Psalm 18, and a biblical translation (The Message) to which I am really drawn today for a couple reasons. One, our story... being re-written by God when our hearts are open... is a wonderful image. Two, I am thinking of a pop song written in 2013 called "The Story of My Life." It's a song by the band *One Direction*, and it is on the song list for the Verse O.N.T.A.P. outing later this spring. Some of its lyrics begin like this:

"Written in these walls are the stories that I can't explain

I leave my heart open but it stays right here empty for days..."

Now, I can't say that *One Direction* is a profoundly spiritual band, or that this song is right up there with "A Mighty Fortress..." But I can tell you that its author seems to think that his heart, and the places where he spends his time, are related. I would agree. I also think of the narrative of my own life, and that of those around me, on a fairly consistent basis. You could even say that at Bethlehem we too are writing a story together. Or, more accurately, that God is. The places we gather, and the times we share under one roof (or sky ☺) together are often profound and life-changing. In this past year alone, I have witnessed how new ministries like The Apprentice Series and the growing, combined effort between Christian Education and Y2A to plan VBS have energized members and allowed hearts to be opened in exciting and new ways.

This coming Lent season (starting in just 2 weeks!) is a time I hope we can all look a little closer at the "story of our lives" together, as we focus on telling the story of how God has led us all to this place, and how our sense of ministry has shaped our lives.

In peace, with heart open. -Pr. Paul

President's Corner

The name of the Lord is a fortified tower; the righteous run to it and are safe.

Proverbs 18:10

February is here and winter seems to be a long month and spring, a long way in the future. Some are fortunate and can escape for a while and warm their bones. Us year-rounders anxiously wait for the Burpee Seed Catalogue.

There are plenty of activities to get involved with at Bethlehem! The Youth Ski Trip is February 11! This is a great winter gathering and will challenge all participants to work the slopes. Meghan Denton is hold a "Launch Party" on February 18 for this summer's VBS week. They need willing workers to plan and prepare for this exciting week of learning. The XYZ folks are holding a meeting February 16th. The topic will be a talk about Finland! Great food, and great people are always in abundance. Please try to attend. For those who love a good book, the Book/Supper Discussion Group might be just the thing. They meet on the fourth Tuesday of the month from 5 to 7 pm. There are also choirs, Bells, and Worship Team for those looking to share their musical talents. So much to do! Be sure to read over The Star and the Weekly Bulletin to catch up on all the fun things happening at your church.

Your church family is a tightly knit group of wonderful individuals. Each member brings talents and compassion to produce a tapestry of love. We are blessed with so many dedicated, humble, and kind people.

My hand in yours, our hearts with Him,

Phil Anderson, Council President

Youth & Outreach

Hey folks! Hope 2018 is treating you well so far! I'm excited to say that we have quite a bit planned in the coming months... I hope you're ready!! **THEO** had a good turnout for January, with 6 attendees. We're looking forward to our **February 4th** meeting, as we anticipate even more folks to join us (from Faith Reformed Church and NMC's student ministry!)

Our **BLUES** Sledding Event (which we opened up to all BLC members) went very well! It was a great time, full of bonding and community... this month (on **Friday the 23rd**) we will be enjoying a Movie night with hot chocolate and other goodies! I'm also happy to report that our **joint Confirmation** group is still going strong! We've completed our Old Testament semester and are now moving on to the New Testament and Luther's Catechism! Our next **Retreat** will be **February 23rd—24th**, location pending.

The McAllister kids and I were able to take a trip down to Cadillac on the 28th this past month to spend some time with our friends at Zion Lutheran Church, who we will be traveling with to the **ELCA National Youth Gathering in Houston!** Please continue to support the kids and invest time in them over these coming months, your kindness does not go unnoticed!

Looking further into the future: **VBS '18** Planning and preparations are in full swing! We will be having a Planning Party for all interested leaders and volunteers on **February 18th**. Additionally, we will have VBS'18 t-shirts for sale in the coming months, and all money raised on shirts will go towards programming.

I would like to make a few closing remarks regarding a youth ministry workshop that Meghan and I were able to attend at the Lansing Gathering in December. One of my favorite pastors in the ELCA, Yehiel Curry, was the speaker, and this quote particularly resonated with me... "We attract what we seek." In context, he was referring to churches wanting to have more young people, but not actively 'seeking' them or reaching out to them (this is a huge problem in many churches, not just the ELCA). However, I think we can also look at this quote on a broader spectrum... What kind of people are we inviting to be in our midst? Who do we attract? How does this reflect what we seek? One of the suggestions that Pr. Curry made as a potential way to bring in millennials/youth is to give them *leadership* roles and employ them. *Empower them*, and help them to realize that their gifts (spiritual and otherwise) are being appreciated.

I hope we can move forward as a church with this being one of our goals: *to reach young people where they are and lead them to Christ by the love we show them.*

Peace,

Alexis Steig
Director of Youth and Outreach

CHRISTIAN EDUCATION HIGHLIGHTS

February 2018

January was a great month! We kept kids busy with Advent nights, Sunday school, a Christmas party and our Christmas Eve service program. Looking forward to February, Christian Ed. will be starting off strong with several events for everyone to be a part of.

We will be packing **college boxes on February 4th**. Everyone is welcome to join, we will be packing in the fellowship hall directly after the 11 o'clock service! Also, if you have a college student in your family, be sure to give Nancy Ammann, Dianne Blair, or Meghan Denton their college address and information.

A little later in the month, Alexis and Meghan will be hosting a **VBS '18 planning party on February 18th** directly following the 11 o'clock service. This event will be a bonding time for all leaders that we have reached out to and anyone who is interested in volunteering for VBS. This time will be structured, but still flexible enough to allow collaboration and creativity to flow. For more information or if you have any questions, please contact Meghan or Alexis.

Lent is on our heels! **Lent nights will begin Feb. 21st**. Christian Ed. will have activities planned for children while adults are participating in Lent night curriculum provided by Pastor Paul. Each night, a Christian Ed. committee member will be present but feel free to contact Meghan if you are wanting to help the kids with crafts and other planned activities on Wednesday nights.

Just to get the word out, we are looking at beginning first communion classes during lent nights. If you feel that your child is ready to participate, please contact Pastor Paul or Meghan.

We are also beginning to plan our 'Bibles to third graders' classes. We have not yet solidified a time or date for when classes will begin, but if you have a third grader or students beyond third grade who haven't received their bible, please get in touch with Pastor Paul or Meghan.

Have a wonderful month everyone!

Blessings,

Meghan Denton

February 2018 STAR Treasurer Update

January 2018 financial results are not yet available as the deadline for February STAR input is January 29th. Following are December and year end 2017 results...

December 2017 was certainly a busy month from a financial perspective. Not only did we have the year end crunch of getting bills paid, we had pledging and 2018 budgeting to complete. The 2018 budget was approved. Thanks to all involved from your Church Council to each of the Committees and ultimately to each of you for attending and passing the budget.

For the month of December, our budgeted income was \$38,998 and we received \$36,912...a shortage of \$2,086. Our budgeted expense was \$32,676 and we spent \$30,412...a lower spending level of \$2,264. Two of the primary contributors to the lower spending level were (1) 2017 budget for electricity was set too high, and (2) an invoice for snow removal in December has not yet arrived. Our receipt of \$2,086 less income than expected, coupled with \$2,264 less in expense, gave us a \$178 positive variance against budget. I wish I could say the small variance is due to cracker jack budgeting, but as I've mentioned before, there are many variables involved with the timing of income and expense in a church budget. The ups and downs just happened to balance each other out this month.

For the full 12 months of 2017, our budgeted income was \$393,788 and we received \$381,962...an income shortage of \$11,826. Our budgeted expense was \$393,999 and we spent \$376,199...a YTD reduction in spending of \$17,800.

With YTD actual income received of \$381,962 and actual expense of \$376,199, we ended up \$5,763 in the black for year end. While the income level was lower than hoped, our expenses were even lower which allowed us to end the year on a positive note to the tune of \$5,763. This is great news and thanks to all for your support.

Treasurer,

Dave Peppler

CHURCH COUNCIL RECAP

Church council discussed the need for Long Range Planning/Strategic Planning for Bethlehem. Council will establish a specific name for our future planning program. This will not be your "grandfather's long range planning". This planning will be focused on a timeframe in the 3 year to maybe 5 year range. Council wants to be able to establish goals and act on accomplishing those goals in a timely manner. There will be a planning Committee put together to work hand in hand with our various Church Committees. With the Good Lord's guidance and all of our Bethlehem's ministries both now and for the future.

Blessings,

Tim Fox, Church Council Secretary

WOMEN OF BETHLEHEM

FEBRUARY, 2018

Here it is - February - the month of love. January was Human Trafficking Awareness month. I would like to thank Pastor Paul for allowing us to show a video about this subject during all three services on the last weekend to alert the people of Bethlehem about this crime. Everything seemed to fall into place for the weekend: the readings, the gospel, the music chosen. God was indeed at work. Pastor Paul's sermon brought to mind what being possessed really means in this situation. It's not the victims who are possessed but the traffickers and the users who Satan has in his control. So, what's love got to do with it? Only the love of God and the love of his people can even begin to right this horrible wrong. *"As they say, knowledge puffs a person up with pride; but love builds up."* 1 Cor 8:1 Please pray for the victims' rescues, for the traffickers and users to allow Christ into their hearts so they can resist this evil, for lawmakers to enact laws to protect victims. Following is the first verse of a song written by Matthew West that sums it all up:

"DO SOMETHING"

I woke up this morning Saw a world of trouble now
Thought, how'd we ever get so far down
How's it ever gonna turn around?
So I turned my eyes to Heaven
I thought, "God, why don't You do something?"
Well, I just couldn't bear the thought
Of people living in poverty Children sold into slavery.
The thought disgusted me.
So, I shook my fist at Heaven Said, "God, why don't You do something?"
He said, "I did. I created you."

The WELCA Bible Study for February is taken from the *Gather* magazine, the January/February issue. It is Session Two written by Mark Allan Powell.: "Prepare the way of the Lord." What does the word 'meaningful' mean to you? If you would like to be included in this study, please contact Nancy Ammann 946-8433 for times and places. We would love to have you join us!

XYZ

Our next XYZ gathering will be Friday, February 16. Pot Luck lunch at noon. Our program will be presented by Christine Hubert with details on her trip to Finland recently as she took part in their celebration of their 100th year of Independence. All are welcome to bring a guest (or two) Please contact Jan or Butch Waisanen with questions at etwaisanen@centurytel.net or call 231-271-3802.

SMALL GROUP BIBLE STUDY

New Folks are always Welcome!!!!

A Bethlehem tradition for more than a decade has been for small groups to discuss the work of Christ in our lives using Bible references and published materials. Through our study we experience a closer bond to Christ and to each other. Having Christ centered mutual support from our friends is very uplifting and helps us develop the spiritual gifts we are to share with each other. We welcome you to join a group or create one of your own that meets at a time more convenient to you. For questions, call BJ Christensen 231-228-3426.

In honor of Bethlehem's 125 year anniversary the Worship & Music Committee

has restored the custom of honoring new members of the family of God with a rose at the Altar. Those who wish to celebrate their new child or grandchild can contact committee chair, Barbara Oster at: beo6475@yahoo.com or via phone 668-7038. The cost is \$10.00 to be submitted to the church office, or labeled as such and placed in the collection plate. The rose and vase can be taken by the family after the 11:00 service on Sunday.

Musicality

Another way to support your Bethlehem Music Department is to join one of the music groups. Depending on the one you join, you could be a part of services every 2 months, once a month, once every three weeks, or about every other week. They all have different schedules. What fits you best?

Your choices are steel pans, bells, Worship Team, and choir. They rehearse once a week with trained directors and really build up quite a comradery. It's fun. Think about it.

Please keep the Evangelical Lutheran Church in Jordan and the Holy Land (ELCJHL) in your prayers as it has installed the Rev. Sani Ibrahim Azar as the ELCJHL's fourth bishop. The Rev. National Synod Assembly:ELC-PNG,
January, 2018**

Delegates of the ELC-PNG 31st National Synod arrived at Mogi Kagai Village, East Simbu Province, in the PNG highlands. Despite its location which is quite mountainous and steep for vehicles to climb, people flocked in numbers to witness the week-long event. More than 4000 people arrived early. Tambourine Dancers from the 5 Circuits of East Simbu District performed during the opening ceremony. Head Bishop the Rt. Rev. Jack Urame presided.

Unlike church assemblies in the US, PNG governing officials participated at the closing of the assembly. After the official Closing Worship service, the synod participants awaited the arrival of the Governor General, His excellency Sir Bob Dadae. When he arrived, he was welcomed with a parade by the Police force. Then the Raipingka Trumpet ministry ushered him and his wife Lady Annah into the Synod hall. For more information and some fascinating pictures about our companion church, go to the ELC-PNG Facebook page on line.
