Our Mission...

“We journey with God, to serve with love”

Our Vision...

“As a community of believers journeying with God together, we at Bethlehem are called to serve with love by growing a premier youth ministry; enlivening Christian discipleship through lifelong learning, care, and spiritual formation; fostering a vibrant and inspiring worship experience; utilizing our natural setting and location for faithful creation care and outdoor ministry; and opening our doors always to be a “campus at the crossroads” for the mission and ministry of Jesus Christ.”

Transition, Transition...

What do they say in the realtor's world about "the most important thing" in real estate? ("Location, location, location!") Well, you can say a similar thing about life in the ministry or – more universally, in our journeys of faith together – the most important constant we have is a three-part adage: "Transition, transition, transition."

Yes, I know we all resist change or transition. We cling to the creature comforts of "home," of routine, of stability. Yet everything about the story of God's people speaks the opposite: from humanity leaving the Garden of Eden to seek new understanding amidst our sin (and God's grace); from the Israelites entering slavery then leaving exile in Egypt; from God's people wandering in the desert, then wandering in the Promised Land; from Jesus' family fleeing to Egypt after he was born, then (2 years later) returning to the Holy Land to grow into the Savior of the nations...only to re-enter Jerusalem for the ultimate transition through death and resurrection into eternity, heaven...and then, someday to return for us all...

All of it is about, you guessed it, transition. We remember these journeys and embark on new beginnings because our faith calls to us, inspires us, nudges us, and sometimes even outright sends us to say goodbye to the "last" things and hello to the "next" things. Goodbye to last year, hello to next. And along the way, we also say goodbye to our wonderful and faithful Music Coordinator, Billie Thompson (at least "officially") this January...Keep alert for the exact time and place of such honoring.

A few words about Billie...Billie is a go-getter, a take-charge person who always tries to "get out ahead" of events, challenges, and joys before they get ahead of us. Personally, I always appreciated Billie's sense of vision and planning. That, of course, and Billie is SO talented musically. From leading the choir years ago, to coordinating all the various musical elements and directors, to pinch-hitting with the creation of Saturday PowerPoint presentations for Celebrate! worship. She has done so much in this community, and she deserves much credit. Please take a moment to give Billie Thompson a big hug, hi-five or other gesture of love and appreciation. Many things at Bethlehem simply would not have happened without her.

So here we are. Transitioning in staff (also into the capable hands of Sharon Weller), a new budget and set of goals and initiatives for 2017, and moving along into the new year as individuals and as a church. What will this year hold? To what scripture can we look to for guidance? The prophet Isaiah perhaps echoed God's abundant (transitional) plans for us in chapter 43, verse 19:

"I am about to do a new thing; now it springs forth, do you not perceive it?"

That's the first part of verse 19, and it contains a great question (do we recognize the new transitions among us as at least in-part from God?) Sometimes we miss God's call of transformation and healthy change and renewal amid the noise and haste of life. And the next part of verse 19 is just as good: "I will make a way in the wilderness and rivers in the desert."

These aren't just poetic words, my friends. They are as true as transition's power over and for us: God gives guidance and sustenance, even in the most bewildering or challenging of years, changes or challenges. May we all embrace the "new thing" God is doing for us all in 2017.

Prayers for perceiving them all, with love, together. In peace... - Pr. Paul

To Be A Deacon - exploring the intersections of our world and the church together, with the Trinity leading the way.

“8 And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work.”

2nd Corinthians 9:8 NRSV

Happy New Year!

As we are reminded by remembering our baptism, out with the old and in with the new, this phrase connects the New Year with our new life in Jesus through the water and Word of baptism. While there is little to predict about the new, we rest in the Apostle Paul's promise to the Corinthians that “God is able to provide [us] with every blessing in abundance.”

We closed out this past year in great celebration of Jesus' Birthday with a birthday party led by the Christian Education Committee, Advent Wednesday discussions, Christmas Eve Worship, and Christmas Day carol sing. Just two days later, a senior high youth and I headed to Lansing for the Living Water Ministry annual Senior High Youth Gathering.

This month we start back up right away with our monthly rotation of committee meetings, youth events (senior high night January 4th), and other happenings. We have a number of fun ministry events planned too. Help support the youth by attending the January 8th Pancake Breakfast! Youth and Families, help work this pancake breakfast! Then at the end of the month, join the BLC Youth, Family, and Friends Ski Day to Crystal Mountain! Thrown in the middle of those events is a January BLUES (Bethlehem Lutheran Upper Elementary Students) Night on the 27th from 5pm - 7pm.

There will be many other ministry opportunities that are already on the calendar or that will pop up, so be sure to tune in to the variety of ways BLC shares news!

Peace. - Deacon Juls ><>

President's Corner

January Star – President's Report
2017

Dear Friends at Bethlehem,

A new year is upon us and the canvas is blank. God invites us to create a new vision of today and the future. He has given us free will to craft our lives and impact those around us, and the environment in which we live. Using His word as a guide, and listening to His whispers, 2017 has the potential to be amazing and filled with the peace and joy that only He can give.

I want to take a moment to thank you, the congregation of Bethlehem Lutheran Church for your support in adopting the 2017 budget. This is our blueprint for the coming year and reflects our commitments to the mission and programs that you support. We will have our challenges in the coming year and we need your financial support to be able to achieve these goals. The small increase in giving by each of you will go far to maintain our programs and growing our outreach to God's people. We also need fresh faces – you – to volunteer your time. Specifically, the Membership and Stewardship Committees need to be reinvigorated now to begin developing strategies to be more effective. Any Council member will be happy to discuss opportunities with you. Please prayerfully consider helping these committees.

The canvas of 2017 is ready for you to create your vision. Our church needs your help and talents. I am reminded of what the Swedish politician, Goran Persson said:

Let our New Year's resolution be this: we will be there for one another as fellow members of humanity, in the finest sense of the word.

Let us be there for one another. Raising each other up just as we raise up our prayers like incense before God.

My hand in yours, our hearts with Him,

Phil Anderson
Council President

TREASURER UPDATE

November monthly numbers for the General Fund are shown below.

November	Actual	Budget	Variance	Key Message
Total Income	31,716	26,772	4,944	Income well above budget !!!!!
Total Expenses	29,906	30,777	-871	Expense below budget
Over/Under	1,810	-4,005		Excellent November

The narrative for November is a good one. Our income for the month was \$31,716 which was \$4,944 greater than what was budgeted. At the same time our expenses of \$29,906 were \$871 less than budgeted. So November was a great month when compared to budget. The budget anticipated a net deficit of \$4,005 and we ended up with a surplus of \$1,810.

Year To Date numbers thru November 30th for the General Fund are shown below.

Year To Date	Actual	Budget	Variance	Key Message
Total Income	338,710	339,241	531	Actual Income slightly below budget
Total Expenses	352,253	350,086	2,606	Expense exceeds budget
Over/Under	-13,451	-10,845		Deficit

Actual Total Income thru November is \$338,710. Budgeted income for this same period was \$339,241 so we are close to budget on Income.

Actual Expense for this same period was \$352,253. Budgeted expense for this same period was \$350,086 so we are running high against budget.

These numbers tell us we are tracking close to what was budgeted for 2016, and the budget anticipated this deficit at the end of November. The 2016 budget was passed with an anticipated year end deficit of \$5,602. December is traditionally a good month with Advent and Christmas income exceeding expense. The 2016 budget estimated December would show a surplus of \$4,202 which will help reduce our 2016 deficit. With continued generous December envelop contributions, the deficit number above can be significantly lowered by year end.

The 2017 budget was passed at the December 11th Congregation Meeting. The presentation of the budget explained three key drivers for attaining a balanced budget. Those were...1) Increased giving of \$3,600 (1%), and 2) Increased transfer of \$2,000 from the Challenge Grant from \$4,000 to \$6,000 and 3) a generous gift of stock that will contribute approximately \$4,500 to the General Fund and \$5,000 to mortgage principal reduction.

And lastly, our goal of receiving 100 pledges fell a little short. We ended up matching last year's total of 96. The good news is the average pledge increased from \$2,538 to \$2,585 and the total amount pledged totaled \$248,152.

Respectfully submitted,
David Pepler

Constructing churches in Zambia

For members of the Evangelical Lutheran Church in Zambia, there is great excitement as the church continues to grow and expand. But due to this rapid growth, there are not enough buildings for all the members to worship in. Some congregations must worship outside or in unsafe structures. As part of *Always Being Made New: The Campaign for the ELCA*, we have an opportunity to support the construction of 16 churches in Zambia. Learn more about this and other global ministry projects at: <http://www.elca.org/en/Our-Work/Global-Church/Global-Church-Sponsorship/Supporting-Global-Ministries>.

New missionary in India, the Rev. Gabriele Schroeder

The Rev. Gabriele Schroeder is a new missionary serving in Hyderabad, India, who works at the Henry Martyn Institute. The institute has three primary areas of focus: their academic program, conflict transformation program, and community development program. Their mission and vision is: "Peace as Goal. Justice as Perspective. Reconciliation as Methodology."

'Equipping for service in Perm' – Siberia

The Rev. Bradn Buerkle is an ELCA missionary serving in Russia and is helping lead the Equipping for Service Global Ministry Project in Siberia, which is a part of *Always Being Made New: The Campaign for the ELCA*. Recently, he wrote about a four-day seminar that he helped lead in Perm. Participants in the seminar learned how to live out the Great Commission in their communities.

'Walks with God'

Lexy Johnson is serving as a Young Adults in Global Mission volunteer in Australia and recently wrote a wonderful blog about her morning walks to her work. She reflects on the spiritual practice of walking and praying. She "prays that in the complexities of this world, we may never lose sight of God's presence in and all around us. To know that grace is alive in creation, to be heard, felt and shared."

'Change for Change in South Sudan'

Elmo Lutheran Church is a small congregation 4 miles north of Parkers Prairie, Minn., with an average attendance of 18 people on Sunday. In anticipation of their 130th anniversary next year, the congregation decided to sponsor a missionary. Read about this congregation's generous desire to sponsor the Rev. Wal Reat and the ways this covenant has inspired the congregation to realize how they are connected with one another. See: http://www.elca.org/Campaign-for-the-ELCA/Campaign-Stories/donor_elmo

WOMEN OF BETHLEHEM

HAPPY NEW YEAR 2017!

Ahhh! Christmas is over - now we can get busy with making our New Year's resolutions. Right? If you are like me, those include exercising, dieting/eating right, and so on. The same old resolutions - ones I never manage to keep past the first week or so. Maybe we should forget those resolutions that we never keep for our physical bodies and make a resolution to spend more time with God in prayer, devotions, Bible reading, and worship. This is a resolution that isn't just for our physical well-being but, more importantly for our spiritual well-being - a relationship with the God who created us and who cares enough for us to send his Son to live with us on earth and in our hearts. What could be more important? Our eternity depends on it. Jesus said to be still in His presence so he can strengthen us. Sometimes we think we are too busy to take that extra few minutes to spend with Him but the busier you are, the more you need that time with Jesus.

Wait - let's back up a minute. Did I say Christmas is 'over'? Isn't Christmas something we should celebrate each and every day - just knowing Christ came to earth to fulfill His Father's plan for us? He became one of 'us' so we could learn to be more like Him. It's time we 'make' time for Jesus.

The Circle Bible Study for January is a study written by Kathryn A. Kleinhans on Galatians 1:1-2:21. "Paul explains that we are justified by grace through faith in Christ - an idea central to Martin Luther's understanding of the Christian tradition." Please call Nancy Ammann 946-8433 if you would like to join us. All are welcome.

God's Blessings to you all in this new year!

Sarah Circle with the Thrivent Action Team requested a family in need, for which to purchase Christmas gifts, from the Women's Resource Center. We have enjoyed donating, shopping, wrapping and delivering presents for this family that would otherwise not have Christmas presents.

Anniversary Time Capsule

When Bethlehem Lutheran Church celebrated its 50th anniversary in 1942, there were 60 adult members and 44 Sunday School children. The Rev. Lavern Anderson traveled from Tustin to serve as vice-pastor, and Mr. Art Heglund served as our intern. Cradle Mothers group organized and began the tradition of putting a single rose upon the altar to announce the birth of babies born to members of the church. An Altar Guild was also formed, and a Flower Box for donations for flowers when it wasn't summer.

Thank you to all who attended the XYZ December lunch and program. A special thanks to Pastor Fred and Ruth Overdier for the wonderful program on Christmas Memories. Many songs and historical memoirs were shared : children's programs, long cold car rides in the dark, a tractor going through the ice, candles trees and even hair catching on fire, listening to Christmas programs & Santa on the radio, being sick and or in the hospital, holiday foods, ugly trees and many more thoughts from years ago.

Thank you also to Oleson's Food Stores for the donation of the ham and to Plant Masters of Suttons Bay for the donation of the poinsettia plants.

The January gathering will take place at noon on **THURSDAY, January 19th**, the program will be, 'Elder Law' by attorney Deborah Rysso. All are invited to attend, please feel free to invite a friend or neighbor. Questions or comments can be directed to Jan or Butch, 231-271-3802 or etwaisanen@centurytel.net.

The staff of BLC would like to thank the congregation for their very generous Christmas gifts; we appreciate you so very much!

Musicality

Another way to support your Bethlehem Music Department is to join one of the music groups. Depending on the one you join, you could be a part of services once every 2 months, once a month, once every three weeks, or about every other week. They all have different schedules. **What fits you best?**

Your choices are steel pans, bells, Worship Team, and choir. They rehearse once a week with trained directors and really build up quite a comradery. It's fun. Think about it.

In honor of Bethlehem's 125 year anniversary the worship and music committee would like to restore the custom of honoring new members of the family of God with a rose on the baptismal font. Those who wish to celebrate their new child or grandchild can contact committee chair, Barbara Oster at: beo6475@yahoo.com or via phone 668-7038. The cost is \$10.00 to be submitted to the church office, or labeled as such and placed in the collection plate. The rose and vase can be taken by the family after the 11:00 service on Sunday.

Book/Supper Discussion Group

We meet from 5 to 7 pm on the 4th Tuesday of the month. Join us & if you have any questions, please contact Ellie Long at 935-4595.
